Section 104: License for Branch Establishments:

In the event that a licensee conducts business at more than one location in the City of Bethlehem, an additional license is required for each additional place of business (except vending machines). When any such festival, fair, carnival, craft fair or any other temporary place of business (collectively referred to herein as "Temporary Event") shall issue tickets, coupons, chips, or other form of "currency" exclusive to their event, it shall be the duty and requirement of the sponsoring individual, group, Association, Corporation, or non-profit organization to provide the City of Bethlehem Tax Bureau with an accounting of the ticket, coupon, chip or other form of "currency" exchanged or "cashed in" by its vendors within sixty (60) days of the Temporary Event's closure.

Any person or business desiring to do business at any Temporary Event within the City of Bethlehem must first obtain a Business Privilege and Mercantile Tax License from the City of Bethlehem Tax Bureau. Licenses issued to persons or businesses under this Section 105 are valid for the one-year term referenced in Section 102 and no additional licenses need to be obtained for participation in additional Temporary Events within the City of Bethlehem during the one year term.

A license to conduct business in the City of Bethlehem obtained pursuant to Section 100 herein also shall be deemed to apply to Temporary Events that the license holder participates in and no additional license need be obtained pursuant to this Section 105 so long as the business conducted at the Temporary Event is the same as the business conducted at the license holder's regular place of business.

Section 106: License for Real Estate Rentals.

Any person or business entity desiring to rent residential or commercial real property located within the City of Bethlehem must first obtain a Business Privilege and Mercantile Tax License from the City of Bethlehem Tax Bureau. The number of "rental units" and their location(s) is immaterial in determining whether a person or business entity requires a Business Privilege and Mercantile Tax License. The City of Bethlehem Tax Bureau will consider the property owner as the person or business entity requiring a Business Privilege and Mercantile Tax License.

Example: John Public is the sole owner of a single home in the City of Bethlehem. Mr. Public rents the home as residential rental property. Mr. Public is also in a partner of General Public Partnership. The Partnership owns three City of Bethlehem properties that are rented out as residential units. Mr. Public would be required to obtain a Business Privilege and Mercantile Tax License for the rental of the home he owns individually. General Public Partnership would also be required to obtain a Business Privilege and Mercantile Tax License for the rental of its three rental properties. Total of two (2) licenses required.

Section 107: Assignment and Transfer Prohibited.

Business Privilege and Mercantile Tax Licenses may not be assigned or transferred. Any purported transfer or assignment shall be void and ineffective.

Domicile is the voluntarily fixed place of habitation of a person, not for a mere special or limited purpose, but with the present intention of making a permanent home, until some event occurs to induce him or her to adopt some other permanent home. In the case of a Corporation or Association, the domicile is that place considered as the center of business affairs and the place where its functions are discharged.

A sale, including a sale on approval, or retention or creation of a security interest is not a lease. For purposes of these regulations any "rental" of property shall be treated as a lease.

"Local taxing authority" – A political subdivision levying an eligible tax. The term shall include any officer, agent, agency, clerk, Income Tax Officer, employee or other person to whom the governing body has assigned responsibility for the audit, assessment, determination or administration of an eligible tax. The term shall not include a tax collector or collection agency who has no authority to audit a taxpayer or determine the amount of eligible tax or whose only responsibility is to collect an eligible tax on behalf of the governing body.

"Merchandise" – Produce, goods, commodities, food or foodstuffs, wares, items, products, crops, livestock, animals, metals, gems, or any other property of whatever description, whether new or used.

"Office" – City of Bethlehem Tax Bureau - an office established by the City of Bethlehem, to license business activity and collect the business privilege and mercantile tax and administer business privilege and mercantile tax ordinances or resolutions of the City of Bethlehem, and any political subdivisions, including school districts, with which it may enter into collection agreements. "Wholesale Sales" – Sales made by persons engaged, as owner or agent, in the business of selling to, or exchanging with another person, goods for cash or barter or any consideration, for the purpose of resale by the person acquiring the goods sold or exchanged.

Section 202. Who Must File a Return.

Every person who has carried on or exercised business activity within the City of Bethlehem must file a tax return. A tax return must be filed whether or not tax is due. Tax

returns are filed at the business entity level. In the case of a partnership, for example, the tax is calculated on the gross receipts of the partnership rather than the individual income of the partners. Any or all of the individual partners may be held responsible for the filing of the tax return and payment of the tax. In the case of a corporation, for example, the tax is calculated on the Gross Receipts of the Corporation. Corporate officers shall be held responsible for the filing of the tax return and payment of the tax.

Section 203. Nature and Imposition of Tax.

The Business Privilege and Mercantile Tax is a tax on the privilege of doing business in the City of Bethlehem. A person exercises the privilege of doing business by engaging in any activity within the limits of the City to promote the sale of goods or the provision of services. It is not necessary to be a Resident of the City of Bethlehem, or to have an office or place of business within the City, to be doing business in the City.

Section 204. Base and Rates of Tax.

A. Tax Base. The tax is based on gross receipts attributable to doing business in the City of Bethlehem. To determine whether Gross Receipts are attributable to doing business in Bethlehem, see Attribution of Gross Receipts, Section 205. Receipts from certain activities are excluded from taxation, see Exclusion from Gross Receipts, Section 206 and Interstate Commerce, Section 207.

B. Tax Rate. The rate of tax varies depending on the nature of the business activity performed, as follows:

NOTE: The Business Privilege and Mercantile Tax rates are the *effective* tax rates. The City of Bethlehem and the Bethlehem Area School District both impose a business privilege and mercantile tax, and Act 511 requires that the tax rates set forth in the Tax Ordinance be reduced so that the combined rates of the two taxes does not exceed .001 for Wholesale Sales, nor .0015 for Retail Sales and for rentals and service providers.

- 1. Receipts from the Performance of Services.** On Gross Receipts generated by the performance of services, the rate of tax is .0015 (\$1.50 per thousand dollars).

Example: Taxpayer, a partnership of consultants, earns \$1,000,000.00 in gross sales (receipts) by performing services. The tax is calculated:

<u>Gross Receipts</u>		<u>Rate</u>		<u>Tax</u>
\$1,000,000.00	x	.0015	=	\$1,500.00

2. **Receipts from Sales of Merchandise.** The rate of tax on receipts from sales of merchandise varies depending on whether such sales are classified as “Wholesale Sales” or “Retail Sales” (see Definitions, Section 201).

- a) **Receipts from Wholesale Sales.** On receipts generated by the Wholesale Sales of merchandise, the rate of tax is .001 (\$1.00 per thousand dollars).

Example: Taxpayer, a wholesale dealer of automobile parts, has gross sales (receipts) of \$5,000,000.00. The tax is calculated as follows:

$$\begin{array}{rclcl} \text{Gross Receipts} & & \text{Rate} & & \text{Tax} \\ \$5,000,000.00 & \times & .001 & = & \$5,000.00 \end{array}$$

- b) **Receipts from Retail Sales.** On receipts generated by the Retail Sales of merchandise the rate of tax is .0015 (\$1.50 per thousand dollars).

Example: Taxpayer, a retail dealer of automotive parts, has gross retail sales (receipts) of \$2,000,000.00. The tax is calculated as follows:

$$\begin{array}{rclcl} \text{Gross Receipts} & & \text{Rate} & & \text{Tax} \\ \$2,000,000.00 & \times & .0015 & = & \$3,000.00 \end{array}$$

3. **Receipts from lease, use or rental of personal or real property.** Receipts from the Lease, use or rental of personal or real property shall be deemed to be receipts from the performance of services and taxed at the rate set forth in Section 204. B. 1. (.0015 or \$1.50 per thousand dollars).
4. **“Unearned” business receipts.** Receipts derived from dividends, interest, gain on the sale of capital assets; and the receipts from the license, or use, of intangible property (including, for example, copyrights, trademarks, licenses, patents, royalties, and other intellectual property) received by persons doing business in the City of Bethlehem are subject to the tax at the rate for services set forth in Section 204.B.1. Capital assets do not include inventory, stock-in-trade or other assets held for sale in the ordinary course of business. For the purpose of calculating gain on the sale of capital assets, return of capital may be deducted.
5. **Businesses engaged in more than one classification of business activity.** Businesses which engage in more than one classification of business activity (for example, a service provider whose business includes the sale of products, or a sales office that provides both retail and

wholesale sales), must segregate the receipts from each classification and pay tax at the rate specified for each. Failure to segregate receipts according to classification may result in all receipts being taxed at the highest rate reasonably supportable.

Section 205. Attribution of Gross Receipts.

General. Gross receipts which are fairly attributable to exercising the privilege of doing business within the City are subject to tax.

A. Attribution of gross receipts from sales of merchandise.

1. **Receipts from Bethlehem sales transactions.** All receipts from Wholesale or Retail Sales made or effected within the territorial limits of the City of Bethlehem are to be included in taxable receipts. Sales are “made or effected” when an agreement of sale is concluded within the City, or, when an order is accepted or forwarded for confirmation or approval from a location within the City and, as a matter of business custom or practice, delivery is made and the transaction is consummated on the same terms and conditions as set forth in the order.

2. **Delivery outside of Bethlehem.** Receipts from sales made or effected in Bethlehem are taxable whether delivery after sale is made within or outside of the City.

Example: Taxpayer is distributor of musical instruments whose headquarters and only sales office is located in Bethlehem. Receipts from sales made in Bethlehem for delivery outside the City of Bethlehem are attributable to Bethlehem (unless excludable under Section 207. Interstate Commerce).

Example: Taxpayer, a dealer in scrap copper, enters into an agreement in Bethlehem to sell three tons of metal located in Philadelphia. The agreement consummated in Bethlehem conveys immediate ownership and possession of the metal to Taxpayer’s customer. The Gross Receipts of the sale are properly attributed to Bethlehem.

3. **Doing business through local representative or sales office.** Receipts from sales made or effected in Bethlehem by a local representative or sales force are included in taxable receipts.

Example: Taxpayer, a wholesale distributor of food products has a home office in New York. It operates a “Bethlehem Territory” from an office within the City of Bethlehem

where sales are effected for both delivery within and outside the City of Bethlehem. Shipments are made directly from Wisconsin. Receipts from sales made or effected from the Bethlehem office are attributed to Bethlehem.

Example: Taxpayer, a distributor of aerospace fasteners whose home office is in Florida, sells to local Bethlehem customers through the efforts of a sales representative working from his home within the City of Bethlehem. Orders are accepted in Bethlehem and routinely confirmed in Florida. Shipments are made from Florida for delivery both within and outside of Bethlehem. The Gross Receipts from sales made or effected in Bethlehem by the Bethlehem representative are attributable to the City of Bethlehem.

B. Attribution of Gross Receipts from the Sale of Services.

1. **Services performed entirely within Bethlehem.** All receipts from services performed within the City of Bethlehem are attributable to the City of Bethlehem, notwithstanding that a contract for such services may have been entered into outside the City of Bethlehem, or that services are performed for customers who reside outside the City of Bethlehem, or that services are performed upon tangible items retrieved from and delivered to locations outside the City of Bethlehem.

Example: Taxpayer, a plumbing and heating contractor whose sole office is in Erie, sends a technician to Bethlehem to repair a furnace. The receipts earned by the technician's services performed within Bethlehem are attributed to Bethlehem.

Example: Taxpayer, an employment agency located in Philadelphia, provides staffing to Bethlehem businesses. Receipts earned as a result of the services performed within Bethlehem are attributed to Bethlehem.

2. **Receipts from services directed from Bethlehem.** Except as provided in the following subparagraph 3. below, receipts from services performed outside of Bethlehem but which are managed, directed or controlled from within the City of Bethlehem are attributed to Bethlehem. Receipts from services performed outside the City of Bethlehem, earned by persons whose home office is within the City of Bethlehem, will be presumed to be managed, directed or controlled from within the City of Bethlehem.

Example: Taxpayer, an architectural firm whose sole office is within

the City of Bethlehem, performs services throughout Pennsylvania. All services are managed, directed or controlled from the City of Bethlehem. Services will be presumed to have been managed, directed or controlled from the office located within the City of Bethlehem and all receipts will be attributable to the City of Bethlehem.

3. **Receipts from activities directed from Bethlehem, but subject to business privilege tax elsewhere.** Receipts from activities managed, directed or controlled from within the City of Bethlehem, which the Taxpayer can show are subject to a tax on gross receipts for the privilege of doing business imposed by another local taxing jurisdiction, shall be deemed to be fairly attributed to such other taxing jurisdiction and are excluded from receipts taxed by Bethlehem.

Example: Taxpayer, an accounting firm whose sole office is in the City of Bethlehem, sends junior level personnel to the City of Pittsburgh for several months to complete an audit supervised from Bethlehem. Receipts from the audit are taxed by Pittsburgh under that city's business privilege tax. The City of Bethlehem will allow the exclusion of such receipts provided that proof of filing a tax return and payment of the tax to Pittsburgh is demonstrated to the City of Bethlehem Tax Bureau.

4. **Branch Offices located outside of Bethlehem.** Receipts from services managed, directed or controlled from a bona fide branch office located outside the City of Bethlehem are not attributed to Bethlehem. The following criteria will be considered (as relevant but not conclusive) by the City of Bethlehem Tax Bureau in determining the existence of a bona fide branch office:

- (a) The appearance of the taxpayer's name in telephone and/or building directories.
- (b) Stationary and calling cards showing the branch office address.
- (c) Storage of inventory or display samples at branch office.
- (d) The existence of a rental agreement (or lease) for space used at the branch office.
- (e) Employment of personnel at the branch office.
- (f) The existence of a business license to operate at the branch office.

- (g) **Field Office.** A field trailer may operate as a bona fide branch office where the trailer bears the name of the taxpayer, the trailer is staffed by the taxpayer's employees who report directly to the field office site, the field office is maintained for not less than 60 days, and a business license is maintained at the field office.

Example: Taxpayer, a contractor whose home office is in Bethlehem, enters into a contract to build a stadium complex in State College. Contractor establishes a bona fide business office in State College for the duration of the project, from which it manages, directs and controls the entire project. Receipts from the project are attributed to State College.

5. **Apportionment of receipts where attribution is impossible.** In instances involving the performance of services both within and outside the City of Bethlehem where it is impossible or impracticable to attribute receipts to a specific source location, receipts may be apportioned using a ratio equal to the number of hours of service performed within Bethlehem, divided by the total number of hours of service performed both within and outside the City of Bethlehem.

C. **Unfair Attribution.** If, in the discretion of the Tax Administrator of the City of Bethlehem, the application of the provisions of this Section 205 results in an unfair or inequitable attribution (or apportionment) of receipts, then the Tax Administrator may permit or require the use of other methods of attribution to produce a fair and equitable attribution of gross receipts.

Section 206. Exclusions from Gross Receipts.

Exclusions from taxable gross receipts shall be allowed as follows:

- A. **State Preemption.** Gross receipts from activity which has been judicially determined to be preempted by the Commonwealth of Pennsylvania are excluded from gross receipts.

Limitation. Preemption does not relieve the taxpayer from all municipal taxation. Gross receipts which are unrelated to the aspect of business operations the taxation and regulation of which has been preempted by the Commonwealth remain subject to the tax by the City of Bethlehem. Taxable activity will not lose its character as such merely through association with preempted activity.

- B. **Duplicate State Tax.** In the event the Commonwealth of Pennsylvania imposes a tax on the same subject matter as is taxed under the City of Bethlehem Business Privilege and Mercantile Tax, and such State tax is measured by the same gross

receipts sought to be taxed by the City of Bethlehem, the State tax shall prevail, and the same subject shall not be also taxed by the City of Bethlehem.

- C. **Governmental Entities.** Agencies of the government of the United States, the various individual States, the Commonwealth of Pennsylvania, or any political subdivisions thereof are not subject to the tax.
- D. **Utilities.** Receipts from utility services provided by any person or company whose rates of service are fixed and regulated by the Pennsylvania Public Utility Commission are excluded from taxable receipts. Receipts from ancillary activities not governed by the rate regulation are subject to the tax.
- E. **Reimbursement of expenses incurred as agent.** Dollar-for-dollar reimbursement of "out-of-pocket" expenses incurred by an agent for the benefit of its principal are exempt from taxable receipts.

Example: Taxpayer, an attorney, advances the costs of a medical examination of his client. The client reimburses the attorney the exact cost of the examination. The reimbursement is excluded from the attorney's taxable gross receipts.

Example: Taxpayer, an advertising agency, advances the costs of radio and television advertisement placed by it for the benefit of its client. The amount reimbursed by the client to the agency is excluded from the agency's gross receipts.

- F. **Manufacturers, producers, and processors of by-products of manufacturing.** Receipts generated by engaging in the following activities are not subject to the City of Bethlehem Business Privilege and Mercantile Tax: (i) manufacturing, (ii) producing, and (iii) processing of by-products of manufacturing.

- 1. **Ordinary and general meaning.** Ordinary and general meaning shall be given to the words "manufacturing", "producing" and "processing".

- (a) **Manufacturing.** Manufacturing means the making of something new and different, involving a substantial (not superficial) change in material, form, composition, or character, resulting in different goods and articles having a distinctive name, character and use.

Examples: Manufacturing has been held to include commercial bookbinding, production of apparel, printing, oil refining, and steel milling. Activities which have been judicially determined **not to be manufacturing** include: radio and television broadcasting; steel annealing and galvanizing;

commercial illustration; work product which is primarily intellectual or clerical in nature (e.g. work of an attorney, architect, computer software engineer, etc.); scrap metal bundling; dying and finishing of cloth; purification through pasteurization, filtration and testing for bacteria and impurities; the preparation of potato salad, cole slaw, bread filing, and like examples of “cooking”; adding water to concentrated juice slurry or powdered drink mix to make a finished product; and printing designs and wording on ready made clothing.

- (b) **Producers.** The production, preparation or processing of natural resources or farm products (by manufacturers, producers, and farmers with respect to the goods, articles and products of their own manufacture, production or growth) is not subject to the tax.

Example: Taxpayer owns an organically grown vegetable farm and sells to a specialty grocery store. Taxpayer’s receipts are excluded from the tax.

Example: Taxpayer buys coffee beans at wholesale, roasts them in a commercial oven, and sells the processed beans to local coffee shops. Since the beans processed by the taxpayer are not grown by the taxpayer, the exclusion does not apply. Receipts from the sale of taxpayer’s coffee beans are taxable.

- (c) **Processing by-products of manufacturing.** By-products of manufacturing consist of secondary or additional products produced in addition to a principal product. Processing of by-products is not taxable activity whether it is performed by the original manufacturer or by others.

Example: Taxpayer takes molten slag, a waste product discarded by a steel manufacturer, and subjects it to a process which enables the iron component to be separated and sold back to the steel manufacturer. Taxpayer’s activity of processing the by-products of manufacturing is not subject to the City of Bethlehem Business Privilege and Mercantile Tax.

Example: Taxpayer is in the business of annealing and galvanizing rolls of steel thereby making the steel

more malleable. Taxpayer's activity is not manufacturing since no "new" product is created; nor is it "processing of a by-product of manufacturing" because rolls of steel are not secondary or additional products, but are themselves the principal product of the original manufacturer. Therefore, taxpayer's receipts are taxable.

2. **Application to goods and articles manufactured outside of the City of Bethlehem.** Receipts excludable under this subsection are excluded whether the product is manufactured, produced or processed within or outside the City of Bethlehem.

Example: Taxpayer manufactures computer equipment in New York. It then leases, or sells, the equipment to customers within the City of Bethlehem. Receipts from the sale or lease of computer equipment by the manufacturer thereof are not subject to the tax.

3. **Goods and articles for own use.** Receipts excludable under this subsection are excluded whether the product is sold to others or used by the taxpayer in its own operations.

Example: Taxpayer produces asphalt both for sale to others and for its own use in fulfillment of paving contracts. Taxpayer's sale of the asphalt product to others is not subject to the business privilege and mercantile tax. With respect to the asphalt used by taxpayer to conduct its own business operations, taxpayer may deduct the cost of producing the asphalt from the receipts generated by such business operations and only this deducted amount will be subject to the tax.

4. **Non-manufacturing activities not subject to exclusions.** A manufacturer's receipts from activities other than manufacturing are not excluded.

Example: Twenty percent of the gross receipts realized by taxpayer, a manufacturer of small engine parts, is generated by providing maintenance services for products not manufactured by taxpayer. Receipts from such unrelated products are not excluded.

5. **Relation to Pennsylvania Capital Stock and Franchise Tax.** Whether a particular activity qualifies as "manufacturing" or "processing", under the

provisions of the Pennsylvania Capital Stock and Franchise Tax is relevant, but not decisive, in determining whether receipts are excludable under the City of Bethlehem Business Privilege and Mercantile Tax.

G. Non-profit Organizations. Gross receipts generated by non-profit organizations meeting the criteria for “institutions of purely public charity” as set forth in the Institutions of Purely Public Charity Act, 1997, P.L. 508, No.55; 10 P.S. §371 et seq., are not subject to the tax. However, gross receipts derived by non-profit organizations from unrelated trade or business, regularly carried on are taxable.

1. **Unrelated trade or business.** An unrelated trade or business is one in which the conduct of business transactions is not substantially related to the exercise or performance of the exempt purposes of the organization (aside from the need for income or the use made of the profits).
2. **Regularly conducted.** Activities will be deemed to be regularly conducted if they manifest a frequency and continuity and are pursued in a manner similar to comparable commercial activities of taxable organizations.
3. **Sales to nonprofit organizations.** Receipts generated from the sales to religious, charitable, educational, governmental, or other entities not themselves subject to the tax, are not excluded from the tax.

H. Miscellaneous excluded receipts. Excluded from the Business Privilege and Mercantile Tax are receipts which constitute:

1. Cash discounts to purchasers for prompt payment of bills.
2. Freight delivery or transportation charges paid by the seller for the purchaser.
3. Sales of trade-ins, up to the amount given the prior owner as a trade-in allowance.
4. Refunds, credits or allowances given customers for defective goods returned.
5. Taxes collected as agent for the United States of America, the Commonwealth of Pennsylvania, or the City of Bethlehem.
6. Exchanges between sellers of identical goods, but not to the extent of any additional cash payment accompanying the exchange.

7. Sales to other sellers in the same line, at the same price for which the seller acquired the merchandise.
8. Transfers between one department, branch or division of a business entity and another, recorded as interdepartmental transfers.
9. Receipts from providing direct-to-home satellite service.
10. Commissions paid by one broker to another broker on account of a purchase or sales contract initiated, executed or cleared with such other broker.
11. Receipts from sales made by a purchasing cooperative acting as the joint agent of its member principals for purchasing in bulk and distributing at cost products sold by its members.

Section 207. Interstate Commerce

General. Gross receipts which are fairly attributed to the City of Bethlehem (see Section 205), earned by any person doing business within the City of Bethlehem and having substantial nexus to the City of Bethlehem, are included in taxable gross receipts.

A. Substantial nexus with Bethlehem. Receipts earned by persons having no physical presence or other substantial nexus to the City of Bethlehem are not subject to the tax.

Example: A large mail order company based in Delaware sells office supplies via catalog sales and common carrier to customers located in Bethlehem. The company has no sales offices, salespersons or other physical presence in the City of Bethlehem (except its catalogs). The company's gross receipts are not subject to the tax.

B. Exclusion of gross receipts subject to tax outside of the Commonwealth. Gross receipts from activities which are demonstrated by the taxpayer to be subject to a tax on gross receipts for the privilege of doing business imposed by another taxing jurisdiction outside the Commonwealth shall be deemed to be fairly attributed to other such taxing jurisdiction and excluded from receipts taxable by the City of Bethlehem.

Example: Taxpayer is a wholesale distributor of musical instruments whose sole headquarters and only sales offices are located in the City of Bethlehem. Shipments are made from Bethlehem to mail order customers and independent representatives throughout the United States. Although taxpayer has physical presence (substantial nexus) within the City of Bethlehem, any receipts shown by the taxpayer to be subject to a gross receipts tax on the privilege of doing business imposed by a jurisdiction outside of the

Commonwealth of Pennsylvania will be attributed to that jurisdiction and excluded from the gross receipts taxable in Bethlehem.

Example: Taxpayer provides consulting services in the area of structural engineering throughout the United States, the Commonwealth of Pennsylvania and the City of Bethlehem. All activities are managed, directed or controlled from Taxpayer's home office located within the City of Bethlehem. Any receipts shown by the taxpayer to be subject to a gross receipts tax on the privilege of doing business imposed by a jurisdiction outside of the Commonwealth of Pennsylvania will be attributed to that jurisdiction and excluded from the gross receipts taxable in Bethlehem.

Section 208. Inclusions in Gross Receipts

A. Affiliated Companies. Receipts from sales to affiliated business entities are included in taxable Gross Receipts.

Example: Taxpayer is a wholly owned subsidiary of ABC Company. Taxpayer performs all of ABC's accounting and administrative functions. Taxpayer bills ABC a "management fee" equal to its costs and expenses so that, by design, no profit is generated by Taxpayer. ABC purports to "reimburse" Taxpayer for all its expenses. So long as Taxpayer remains a separate legal entity, the intercompany management fee it receives constitutes taxable Gross Receipts.

B. Conditional and Installment Sales.

1. A person making conditional sales or other installment sales of property is required to report the total selling price of such sales as gross receipts for the tax year in which the contracts of sale are entered into.
2. Where tangible personal property sold under a conditional or other installment sales contract is repossessed by the seller, and the repossessed property is subsequently sold, the receipts from such sales are to be included in the measure of the tax only to the extent that the amount of sale exceeds the balance due on the original sale at the time of repossession. No deduction from Gross Receipts may be taken for any unpaid balance due at the time of the repossession.

C. Consignment Transactions. Gross Receipts received by a consignor from consignment transactions are subject to the tax.

Example: Taxpayer supplies merchandise to a retail jewelry store for sale on consignment. Taxpayer must include the total Gross Receipts realized from the sale of merchandise. Note: the commission paid to the jewelry store (consignor's agent) is a taxable receipt to the jewelry store.

D. Leased Departments. Gross receipts received from the lease of a department are includable.

Example: Taxpayer receives fees for the use of its computer department (personnel and equipment), which it makes available to other companies. Such fees are includable in Gross Receipts.

E. Persons Erecting Buildings or Altering, Repairing or Improving Property. Persons in the business of erecting buildings, or altering, repairing or improving real property, under contract (i.e., contractors and subcontractors), shall include in their Gross Receipts all sums paid to them under such contract, without deduction for sums paid to suppliers and/or subcontractors.

Example: Taxpayer, a general contractor, builds and sells a new home for \$200,000.00. Payments to subcontractors equal \$50,000.00. Taxpayer may not deduct the payments to subcontractors, but must include the entire \$200,000.00 as taxable Gross Receipts.

F. General Agencies, Brokers, and Agents.

1. General Agencies and Brokerage Firms. All general agencies and brokerage firms shall include in Gross Receipts all revenues received - without deduction for commissions or fees paid to, or withheld by, agents of the general agency or brokerage form.

Example: Taxpayer, a broker/dealer registered with the National Association of Securities Dealers, earns commissions on sales of securities made through the efforts of affiliated registered representatives (stock brokers). Taxpayer may not deduct from its Gross Receipts the commissions paid to registered representatives. Similarly, business brokers, real estate brokers, and insurance general agencies may not deduct commissions paid to selling agents.

2. Agent's commissions. Independent agents shall include in Gross Receipts all fees, commissions, or other remuneration received for services performed as an agent.

Example: Taxpayer is a real estate agent who sells a home for \$100,000.00 on which a real estate commission is generated in the amount of \$7,000.00. After the commission is split between the real estate brokerage firms representing the buyer and seller, taxpayer is paid a commission from her broker of \$1,750.00. Taxpayer's taxable Gross Receipts are \$1,750.00.

Example: Taxpayer sells lottery tickets from his convenience store. Gross commission receipts paid to taxpayer as a lottery agent are taxable.

Example: Taxpayer works as a registered representative ("stock broker") for a NASD broker/dealer. Gross commission receipts received by taxpayer are taxable Gross Receipts.

3. **Agent as employees.** Income earned as an employee is not subject to the tax. Any agent asserting status as an employee must provide a copy of Federal Form W2 and/or such other documentation as the City of Bethlehem Tax Bureau may reasonably require to show employment. Receipts earned by independent agents are subject to the tax even though such persons may qualify as "statutory employees" for purposes of federal income taxation.

ARTICLE III DECLARATION AND PAYMENT OF TAX

Section 300. Tax Returns.

Tax returns shall be made using forms approved by the City of Bethlehem Tax Administrator and may inquire as to business name, type of activity, business receipts, and any other information reasonably necessary to accurately determine taxpayer identity and liability. Tax returns must be filed whether or not tax is due. The failure to receive a tax return, or form, by mail from the City of Bethlehem does not relieve the taxpayer of the responsibility to timely file a tax return.

Section 301. Due Dates for Filing Returns.

A. **Quarterly Estimated Returns.** Taxpayers whose annual gross receipts can reasonably be expected to exceed two million dollars (\$ 2,000,000.00), are encouraged to file quarterly declarations of estimated tax and pay twenty-five percent (25%) of the estimated annual tax with each filing. Quarterly returns are due on or before April 30, July 31, October 31, and January 31 of the Succeeding Year. Any overpayment of tax may either be credited to the next year's first quarterly installment or refunded to the taxpayer.

B. Annual Returns. Annual returns are due the first Monday in May of the Succeeding Year.

C. Returns of Temporary, Seasonal or Itinerant Business. Every person or business engaged in business activity who does not intend to continue such activity within the City of Bethlehem for a full year or which business activity by its very nature is not permanent shall make and file with the Tax Administrator a tax return, as set forth in Section 300, and pay the tax due thereon within 45 days of the close of the temporary, seasonal or itinerant business activity. For purposes of these regulations vendors at fairs, festivals, and craft shows/fairs shall be considered to be temporary, seasonal or itinerant businesses.

D. Proof of Mailing. The postmark of the United States Postal Service shall constitute proof of mailing. The postmarked date shall constitute the filing date of the tax return.

Section 302. Extension of Time for Filing Returns.

A. The Tax Administrator, upon proper cause shown, may grant an extension of not more than sixty (60) days for the filing of any tax return. Applications for extensions shall be made on or before the last day for payment of the tax (the first Monday of May), in such form as the Tax Administrator prescribes.

B. If the Taxpayer files a request for extension of time to file returns with the Internal Revenue Service and is granted such extension by the Internal Revenue Service, the extension will not be honored by the City of Bethlehem Tax Bureau unless a copy of the Taxpayer's request is filed with the City of Bethlehem Tax Bureau on or before the last day for payment of the tax (the first Monday of May).

C. In order for an extension to be granted the Taxpayer must file an Extension Request Form and pay 100% of the tax estimated to be due on or before the due date. The granting of any extension will not relieve the Taxpayer from the obligation to pay interest and penalty upon any tax that remains outstanding after the due date (the first Monday of May). Extensions are granted for filing of the tax return only. There are no extensions for payment of the tax.

Section 303. Filing to be Complete.

Returns shall be completed in full and certified as true and correct by the taxpayer, supported by all additional forms or schedules required (including Federal Income Tax Schedule C if Taxpayer is a sole proprietor; Federal Form 1065 if Taxpayer is a partnership; Federal Form 1120/1120S if Taxpayer is a corporation; Federal Form 990 if Taxpayer is a non-profit organization). In cases where the taxable Gross Receipts, as calculated by the taxpayer, differ from Gross Receipts reported on the Federal Tax Form a reconciliation that fully explains the difference must accompany the tax return.

Completed tax returns must be accompanied by payment of tax and delivered to the City of Bethlehem Tax Bureau on or before first Monday of May of the succeeding year.

Section 304. Business Termination.

Any taxpayer going out of business or ceasing to do business shall, within thirty (30) days from the date of ceasing to do business, file a return showing the actual gross volume of business generated during the tax year in which said taxpayer ceased doing business and pay the tax due thereon at the time of filing the tax return. In the event that any tax has been paid upon estimated Gross Receipts, the taxpayer shall be entitled to a refund of any excess tax paid in the tax year for which business was terminated.

ARTICLE IV ACCOUNTING, BOOKS, AND RECORDS

Section 400. Accounting Methods and Periods.

Cash or Accrual Basis. The tax return may be filed on a cash basis or on an accrual basis, but the return must be prepared in accordance with the method of accounting regularly employed in keeping the books of the taxpayer.

Section 401. Records to be kept.

Every taxpayer is required to keep such accounts and records as will enable the filing of true and accurate declarations and returns. Such accounts and records shall be sufficiently complete to enable the Tax Administrator or his designees to verify the accuracy of declarations and/or returns filed. Accounts and records are to be preserved for **NOT LESS THAN SIX (6) YEARS.**

ARTICLE V ADMINISTRATION AND ENFORCEMENT

Section 500. Collection and Receipt of Tax.

The Treasurer, with the assistance of the Tax Administrator, is authorized to collect and receive taxes, fines, penalties and interest on behalf of the City of Bethlehem. Unless otherwise specified by the taxpayer, all voluntary payments shall be applied against amounts owed as follows: tax, penalties, and other fees, interest or charges.

Section 501. Records of Receipts.

The Tax Administrator is authorized and required to keep a record showing the amount received by the City of Bethlehem from each taxpayer and the date of such collection and receipt.

Section 502. Disclosure Statement of Taxpayer's Rights and Obligations.

The Tax Bureau shall notify any taxpayer contacted of their rights regarding an assessment, audit, determination, review, refund, appeal or collection of tax by supplying a copy of the City of Bethlehem Disclosure Statement with any correspondence regarding an assessment, audit, determination, review, refund or collection of tax.

The Disclosure Statement, attached hereto as Addendum "B", is available to taxpayers upon request at no charge by calling 610-865-7022 between the hours of 8:00am and 4:30pm, weekdays.

Section 503. Verification of Records, Audits, Response Periods and Prior Year Returns.

The Tax Administrator, or agents of the Tax Administrator designated in writing, are authorized to examine the books, papers, and records of any person or business entity whom the Tax Administrator reasonably believes has engaged in taxable business activity within the City of Bethlehem in order to verify the accuracy of any return made or, if no return has been filed, to arrive at a reasonable assessment of tax, interest, penalty, and fine due.

A. Cost of audits. In the event the City of Bethlehem retains the services of tax auditing professionals to verify the accuracy of returns filed or, if no return has been filed, to arrive at a reasonable assessment of tax, interest, penalty, and fine due, any cost to the City of Bethlehem to conduct such an audit shall be assessed against the Taxpayer if any amount is found to be due and owing to the City of Bethlehem.

B. Issuance of subpoenas to compel attendance and production of records. The Tax Administrator, through the assistance of the City of Bethlehem Law Bureau, shall have the power and is authorized to (1) issue subpoenas to compel the attendance of persons deemed by the Tax Administrator to be necessary to examine as witnesses, and (2) compel the production of books, records, and papers relating to any person or business entity under examination.

C. Minimum time periods for taxpayer response. Taxpayers shall have at least thirty (30) calendar days from the mailing date to respond with requests for information by the City of Bethlehem Tax Bureau. The Tax Administrator shall notify any taxpayer from whom the information is initially requested of the procedures to obtain an extension of time in which to respond, and shall grant reasonable extensions of time in which to respond upon application for good cause. No action shall be taken against a taxpayer for the tax year in question until the expiration of the response period, including extensions.

D. Inquiry as to prior year returns. Except as provided below, an *initial* inquiry regarding a taxpayer's compliance with the Tax may include taxes required to be paid or tax returns required to be filed no more than three (3) years prior to the mailing date of the notice of such inquiry. If, after the initial request, the Tax Administrator (or designee) determines that the taxpayer failed to file a tax return, underreported income or failed to pay a tax for one or more of the tax periods covered by the initial request, *subsequent* requests for tax returns or supporting information may be made. This subsection shall not apply if the Tax Administrator has sufficient evidence to support his or her belief that the taxpayer has failed to file a required return or pay an eligible tax which was due more than three (3) years prior to the date of the initial notice.

Section 504. Procedures for the Conduct of Taxpayer Audit.

The following procedures shall be followed during the conduct of an audit or examination of a taxpayer's books and records:

A. Notice of Audit. The taxpayer shall be notified in writing of a scheduled audit at least thirty (30) days in advance. The notice of audit shall contain the following information:

1. The reason for the audit;
2. The tax years subject to audit;
3. The date, place and time for the audit to be conducted;
4. A description of the information, books and records to be produced;
5. A copy of the City of Bethlehem Tax Bureau Disclosure Statement.

B. Rescheduling audit. The taxpayer may request that the audit be rescheduled, provided that it is rescheduled within a reasonable time not to exceed sixty (60) days.

C. Representation at audit. The taxpayer may have a representative present during the audit.

D. Audit results. In the event a Notice of Assessment (Section 505.A.1) is issued as a result of an audit, the Taxpayer shall be provided with a copy of the auditor's report of findings and conclusions, including the calculation of any tax, interest and/or penalty found to be due.

Section 505. Examination of Return, Notice of Assessment.

A. Examination of Return. The Tax Administrator shall examine every return as soon after filing as is practical to determine the correct amount of tax.

1. **Notice of Assessment for underpayment.** If the Tax Administrator finds that the amount of tax shown on a return is less than the correct amount,

the Tax Administrator shall notify the taxpayer in writing of the amount of the underpayment (deficiency) assessed. A Notice of Assessment shall be in writing and shall include:

- (a) The tax period or periods for which the underpayment is asserted.
- (b) The amount of the underpayment detailed by tax period.
- (c) The legal basis upon which the City has relied to determine that an underpayment exists.
- (d) An itemization of the revisions made by the City of Bethlehem Tax Bureau to a return or report filed by the taxpayer that results in the determination that an underpayment exists.

2. **Notice of Overpayment.** If the Tax Administrator finds that the tax that has been paid by the taxpayer is more than the correct amount, the Tax Administrator shall credit the overpayment against any taxes owed by the taxpayer to the City of Bethlehem and shall refund the difference to the taxpayer. Written notice of such action by the Tax Administrator shall be provided to the taxpayer.

B. No Return Filed. If the taxpayer fails to file any return of tax required to be filed, the Tax Administrator may estimate from any available information the taxpayer's gross receipts and the tax thereon and notify the taxpayer in writing of the amount assessed against the taxpayer as a deficiency.

Section 506. Petition for Reassessment.

Within ninety (90) days of the date of the Notice of Assessment, the taxpayer may file a Petition of Reassessment setting forth the grounds upon which reassessment is requested. Petitions for Reassessment shall be filed with the City of Bethlehem Tax Bureau for submission to the City of Bethlehem Tax Appeal Hearing Officer for hearing and determination (see Section 514).

Section 507. Refund of Overpayments, Interest on Overpayments.

A. Taxpayer Request for Refund of Overpayments. Any taxpayer who has made an overpayment of tax to the City of Bethlehem Tax Bureau may file a written request with the Tax Administrator for a refund or credit. A request for a refund shall be made within three (3) years of the due date for filing the tax return, or one year after actual payment of the tax, whichever is later. If no return or report is required, the request shall be made within three (3) years after the due date for payment of the tax or within one year after actual payment of the tax, whichever is later.

1. **Overpayment on tax return.** For purposes of this section, a tax return filed by the taxpayer with the City of Bethlehem showing an overpayment of tax shall be deemed to be a written request for a cash refund unless otherwise indicated on the tax return.
2. **Refund request not a petition for appeal.** A request for refund under this section shall not be considered a petition for appeal to the Tax Appeal Hearing Officer and shall not preclude the taxpayer from submitting a petition for appeal (see Section 514).
3. **Refund after Notice of Assessment.** For amounts paid as a result of a notice asserting or informing a taxpayer of an underpayment, a written request for refund shall be filed with the City within one year of the date of payment.

B. Interest on overpayments. All overpayments of tax due to the City of Bethlehem shall bear simple interest from the date of overpayment until the date of resolution.

1. **Rate of interest.** Interest on overpayments shall be allowed and paid at the same rate as the Commonwealth is required to pay pursuant to Section 806.1 of the Act of April 9, 1929 (P.L. 343, No. 176), known as the Fiscal Code.
2. **75 Days before interest accrues.** No interest shall be allowed if an overpayment is refunded (or applied against any other tax, interest, or penalty due the City of Bethlehem) within seventy-five (75) days after the last prescribed date for filing the tax return or report of liability or within 75 days after the date the tax return or report of liability due is filed, whichever is later.
3. **No interest on Overpayments of Interest and Penalty.** Overpayments of interest and penalty shall not bear interest.

C. Acceptance of refund check. The taxpayer's acceptance of the City's refund check shall not prejudice any right of the taxpayer to claim any additional overpayment and interest thereon. Tender of a refund check by the City shall be deemed to be acceptance of the check by the taxpayer.

Section 508. Abatement of Certain Interest and Penalty.

A. Errors and Delays. In the case of any underpayment, the Tax Administrator may abate all or any part of interest and penalty for any period for the following:

1. Any underpayment of tax finally determined to be attributable in whole or in part to any error or delay by the City of Bethlehem Tax Bureau in the

performance of a ministerial act; provided, however, that no significant aspect of the error or delay is caused by the taxpayer after the City has contacted the taxpayer in writing with respect to the underpayment of tax finally determined to be due or payable.

2. Any payment of tax to the extent that any error or delay in the payment is attributable to an officer, employee or agent of the City of Bethlehem Tax Bureau being erroneous or dilatory in the performance of a ministerial act. The Tax Administrator shall determine what constitutes timely performance of ministerial acts.

B. Erroneous written advice by the City of Bethlehem Tax Bureau. The City shall abate any portion of any penalty or interest attributable to erroneous advice furnished to the taxpayer in writing by an officer, employee or agent of the City of Bethlehem, acting in their official capacity if:

1. The written advice was reasonably relied upon by the taxpayer and was in response to a specific written request of the taxpayer; and
2. The portion of the additional tax, penalty an interest did not result from the failure of the taxpayer to provide adequate or accurate information.

Section 509. Installment Agreements.

The Tax Bureau may enter into written agreements with any taxpayer under which the taxpayer is allowed to satisfy liability for any eligible tax in installment payments if the Tax Bureau determines that the agreement will facilitate collection. The following terms and conditions shall apply to installment plans:

- A.** The taxpayer must file an annual tax return for the current tax year and any delinquent tax years to be covered under the installment plan. These annual tax returns must include a copy of the taxpayer's Federal Tax Return and all supporting documentation as verification that all taxable income has been reported. In cases where a Federal Tax Return cannot be produced, the taxpayer must complete a Federal Form 4506 "Request for Copies of Tax Return" naming the City of Bethlehem Tax Bureau as recipient of the requested copy. The costs to procure the Federal Tax Return and related information are the sole responsibility of the taxpayer.
- B.** Installment plans will not be approved for tax amounts less than \$100.00.
- C.** Installment Plans will not be approved for more than 4 months. Payment amounts will be calculated by dividing the total tax liability by 4 and adding the applicable penalty, interest, fines, and costs to each payment.

- D.** Taxpayers will be required to verify that their current year's tax liability has been satisfied to date either by proof of employer withholding or by direct payment from the taxpayer.
- E.** Installment Plans will be granted only 1 time to any taxpayer.
- F.** Installment Plans will be revoked and immediate civil action or garnishment of wages for collection of the tax due will be initiated if any of the aforementioned terms and conditions are not met.
- G.** The Tax Bureau may terminate any prior agreement if:

 - (1) The information the taxpayer provided to the Tax Bureau prior to the date of the agreement was inaccurate or incomplete, or
 - (2) If the Tax Bureau believes that collection of any eligible tax under the Installment Plan is in jeopardy.
- H.** If the Tax Bureau finds that the financial condition of the taxpayer has significantly changed, the Tax Bureau may alter, modify or terminate the agreement, but only if:

 - (1) Notice of the Tax Bureau's finding is provided to the taxpayer no later than 30 days prior to the date of such action; and
 - (2) The notice contains the reasons why the Tax Bureau believes a change has occurred.
- I.** The Tax Bureau may alter, modify or terminate an Installment Plan agreement if the taxpayer fails to do any of the following:

 - (1) Pay any installment at the time the installment is due.
 - (2) Pay any other tax liability at the time the liability is due.
 - (3) Provide a financial condition update as requested by the Tax Bureau.
- J.** Nothing in this subsection shall prevent a taxpayer from pre-paying in whole or in part any eligible tax under any installment agreement with the Tax Bureau.

Section 510. Payment under Protest.

The Tax Administrator is authorized to accept "payment under protest" of the amount of tax in order to avoid liability for additional penalty, interest and fines. Payments made under protest will be forwarded to the City of Bethlehem Law Bureau for deposit to escrow account.

Section 511. Violations and Penalties.

Failure to comply with the provisions of the City of Bethlehem Codified Ordinance, Article 341 (Business Privilege and Mercantile Tax Ordinance) may result in both civil and criminal sanctions, including:

- A. Administrative Penalty and Interest.** If a person fails to pay the tax when due, a penalty of ten percent (10 %) of the tax due and unpaid shall be added thereto plus additional penalty of one percent (1%) per month for each month the tax, or part of the tax, remains unpaid.
- B. Revocation of License.** The Business Privilege and Mercantile Tax License of any person or business entity who fails to file any declaration of estimated tax or any tax return required under Article 341 of the Codified Ordinances of the City of Bethlehem, or who files a false declaration of estimated tax or a false tax return, may, after notice and hearing, be revoked.
- C. Issuance of Non-Traffic Citation.** The Tax Administrator may file a Non-Traffic Citation against any taxpayer who violates any provision of Article 341 of the Codified Ordinances of the City of Bethlehem. Each twenty-four (24) hour period during which such violation continues shall be considered a separate and distinct offense punishable as outlined in the Business Privilege and Mercantile Tax Ordinance. Such violations include, but are not limited to:

 - 1. Failure to obtain a Business Privilege and Mercantile Tax License.
 - 2. Failure to make and file a required report or return.

(a) Rate and Basis of Tax

The rate of tax on every dollar of the whole or gross volume of business transacted within the territorial limits of the City shall be calculated as follows:

- (1) On receipts attributable to wholesale sales of merchandise the rate shall be one mill or one dollar (\$1.00) per one thousand dollars (\$1,000) of gross volume of business.
- (2) On receipts attributable to all other business the rate shall be one and one-half mills or one dollar and fifty cents (\$1.50) per one thousand dollars (\$1,000) of gross volume of business.

(b) Computation of Volume of Business

- (1) Every person subject to the payment of the tax hereby imposed who has commenced business prior to the beginning of the tax year shall compute gross volume of business transacted during the immediately preceding tax year.
- (2) Every person subject to the payment of the tax hereby imposed who has commenced or who commences business subsequent to the beginning of the tax year, shall compute gross volume of business upon the actual gross volume of business transacted during that tax year.
- (3) Every person subject to the payment of the tax hereby imposed who engages in a business' temporary, seasonal or itinerant by nature, shall compute his estimated gross amount of business to be transacted by him for the period the person engages in such temporary, seasonal or itinerant business within the City by a method to be determined by the Tax Administrator.

- (4) The Tax Administrator is hereby authorized to accept “payment in protest” of the amount of business privilege tax claimed to be due by the Tax Bureau in any case where the taxpayer disputes the validity or the amount of the City’s claim for tax. If it is thereafter judicially determined by the Tax Appeal Hearing Officer or a court of competent jurisdiction that the City has been overpaid, the amount of the overpayment shall be refunded to the taxpayer. The provisions of this section shall be applicable to cases in which the facts are similar to those in a case litigated in a court of competent jurisdiction.

(c) Persons, Business and Receipt Exempted.

(1) Persons and Businesses.

Persons employed for a wage or salary, nonprofit corporations or associations organized for religious, charitable or educational purposes, agencies of the government of the United States or of the Commonwealth of Pennsylvania and the business of any political subdivision, or of any authority created or organized under and pursuant to any act of assembly are exempt from the provisions of this article.

(2) Privileges, Transactions, etc.

No such tax shall be assessed and collected on a privilege, transaction, subject, or occupation which is subject to a State tax of license fee, and which tax or license fee has been held by the Courts of Pennsylvania to be the basis for exemption from the imposition of a business privilege or mercantile tax by a municipality.

(3) Utilities.

No such tax shall be assessed and collected on the gross receipts from utility service of any person or company whose rates of service are fixed and regulated by the Pennsylvania Public Utility Commission or on any public utility service rendered by any such person or company or on any privilege or transaction involving the rendering of any such public utility service.

(4) State Tax on Tangible Property.

No such tax shall be assessed and collected on the privilege of employing such tangible property as is subject to a State tax except on sales of admission to places of amusement or on sales or other transfers of title or possession of property.

(5) Production and Manufacture.

No such tax shall be assessed and collected on goods, articles and products, or on byproducts of manufacture, or on minerals, timber, natural resources and farm products, manufactured, produced or grown in the City or on the preparation or processing thereof for use or market, or on any privilege, act or transaction related to the business of manufacturing, the production, preparation or processing of minerals, timber and natural resources or farm products, by manufacturers, by producers and by farmers with respect to the goods, articles and products of their own manufacture, production or growth, or any privilege, act or transaction relating to the business of processing byproducts of manufacturer, or on the transportation, loading, unloading or dumping or storage of such goods, articles, products or byproducts.

(d) Determination of Gross or Whole Volume of Business. The gross or whole volume of business upon which the tax hereunder is computed shall include the gross consideration credited or received for or on account of sales made and/or services rendered, subject only to the following allowable deductions and exemptions:

- (1) The dollar volume of business transacted by wholesale and retail dealers derived from the resale of goods, wares and merchandise taken by any dealer as trade-in or as part payment for other goods, wares and merchandise, except to the extent that the resale price exceeds the trade-in allowance.
- (2) Refunds, credits or allowances given by a taxpayer to a purchaser on account of defects in goods, wares or merchandise sold, or on account of goods, wares or merchandise returned.

- (4) Bad debts, where the deduction is also taken in the same year for Federal income taxation purposes.
- (5) Taxes collected as agent for the United States, the Commonwealth or the City.

(e) Partial Exemptions. Where the gross or whole volume of business in its entirety cannot be subjected to the tax imposed by this article by reason of the provisions of the Constitution of the United States, or any other provision of law, the Tax Administrator under the direction of the Business Administrator shall establish rules and regulations and methods of allocation and evaluation so that only that part of the gross or whole volume of business which is

properly attributable and allowable to doing business in the City shall be taxed hereunder.

(f) Rate When Two Taxing Bodies Impose Same Tax. If any person is liable for the same tax on the same subject imposed under Pamphlet Law 1257 and its amendments (Act 511 of 12/31/65 (53 P.S. §6901-6924)), to the City and one or more political subdivisions of the State, then and in that event the tax shall be apportioned by such percentage as may be agreed upon by such political subdivisions, but, in no event, shall the combined taxes of both subdivisions exceed a maximum rate of tax as fixed by the Enabling Act permitting the imposition of such taxes.

(g) Records. The exempt or partially exempt taxpayer, to obtain the foregoing enumerated exclusions and deductions, shall keep books and records of business so as to show clearly, accurately and separately the amount of such sales and services as are excluded from the tax and the amounts of such sales and services, which may be deducted from the gross volume of business as hereinbefore, provided.

341.03 DECLARATION AND INSTALLMENT PAYMENT OF ESTIMATED TAX.

(a) Every person subject to the provisions of this article, whose annual gross receipts can be reasonably expected to exceed two million dollars (\$2,000,000.00), is encouraged to file quarterly declarations of estimated tax and pay twenty-five percent (25%) of the estimated annual tax with each filing.

(b) Every person filing a declaration shall certify the correctness thereof by affidavit. The fact that an individual's name is signed on the return shall be prima facie evidence that the individual is authorized to sign the return on behalf of the taxpayer.

(c) Every person filing a declaration of estimated tax shall file such declaration and make payment of the estimated tax in quarterly installments of twenty-five percent (25%) of the total estimated tax to be due for the year. Payments of the quarterly estimated installments are due on April 30, July 31, October 31 and January 31 of the succeeding year.

(d) An overpayment of the quarterly estimated installments may be credited to the next year's first quarterly installment or refunded directly to the taxpayer.

341.04 RETURNS.

(a) Every return shall be made upon a form furnished by the Tax Administrator. Every person making a return shall certify the correctness thereof by affidavit.

(b) The fact that an individual's name is signed on the return shall be prima facie evidence that such individual is authorized to sign the return on behalf of the taxpayer.

(c) Every person subject to the tax imposed by this article who commenced his business subsequent to the beginning of any tax year shall on or before the first Monday of May

of the next year, file with the Tax Administrator a return setting forth his name, his business, business address and such other information as may be necessary in arriving at the actual gross amount of business transacted by him during the preceding tax year and the amount of the tax due.

(d) Every person subject to the payment of the tax imposed by this article who engages in a business activity that is temporary, seasonal or itinerant by its nature or who does not intend to continue such activity within the City of Bethlehem for a full year, shall within forty-five (45) days of the close of the temporary, seasonal or itinerant business activity, file a return with the Tax Administrator setting forth his name, his business name, his business address and such information as may be necessary in arriving at the actual gross amount of business transacted. At the time of filing the tax return the taxpayer shall make payment of the tax due or make claim for credit or refund of any overpayment. For purposes of this paragraph, vendors at fairs, festivals, and craft shows/fairs shall be considered temporary, seasonal or itinerant businesses required to file such returns within forty-five (45) days of the close of the fair, festival or craft show/fair.

(e) Any person going out of or ceasing to do business shall, within thirty (30) days from the date of ceasing to do business, file a return showing the actual gross volume of business conducted and done by such person during that tax year in which the person ceased doing business, and pay the tax due as computed thereon at the rate herein provided for at the time of filing the return. If such tax has been previously paid based upon estimated gross receipts, the taxpayer shall be entitled to a refund of any excess tax paid for the tax year in which business was terminated.

(f) Every person required to file a return by this article shall attach to such return a copy of the Internal Revenue Service schedule or form that said person uses to report the business activity to the Internal Revenue Service.

(b) The Treasurer shall, upon payment to him of the Business Privilege Tax, give the person paying the same a receipt therefore.

(c) The Tax Administrator is hereby authorized to accept "payment in protest" of the amount of business privilege tax claimed to be due by the Tax Bureau in any case where the taxpayer disputes the validity or the amount of the City's claim for tax. Such payment must be clearly marked as a "payment in protest" and must include the taxpayer's name, address, identification number, and tax period for which the payment is being made.

(d) If there is an underpayment of the tax, late payment of the tax, or a failure to pay the tax due on or before the due date for filing a return and paying the tax, as set forth above, a

penalty of ten percent (10%) shall be added thereto, plus an additional penalty of one percent (1%) per month or fractional part of a month until the tax is paid.

341.06 LICENSE.

(a) Any person desiring to conduct, or to continue to conduct any business, as herein defined, within the City shall file, prior to the commencement of such conduct, with the Tax Administrator an application for a business privilege license and shall pay a fee of thirteen dollars (\$13.00) for the initial license and thirteen dollars (\$13.00) for each renewal thereof.

(b) The license issued shall be conspicuously posted in the place of business for which the license is issued, and shall remain in effect for the license year or fraction of year for which the license was issued.

(c) In cases where business is conducted in more than one place, a separate license shall be issued for each place of business.

(e) Whenever the ownership of any such business shall be changed, the new owner, upon taking possession thereof, shall notify the Tax Administrator of such fact within ten (10) days after such change becomes effective.

(f) No license issued under the provisions of this article shall be transferred or assigned to any other person, firm or corporation.

(g) Any taxpayer who is in default of payment of tax due hereunder shall be refused a license until such tax is paid in full.

(h) A City business which obtains a business privilege and mercantile tax license will not be required to obtain a separate license to participate in any festival, fair, carnival, craft fair or any other temporary place of business (referred to herein as a "Temporary Event") so long as the business conducted at such Temporary Event is the same as the business conducted at the license holder's regular place of business in Bethlehem.

ADDENDUM “B”

CITY OF BETHLEHEM TAX BUREAU DISCLOSURE STATEMENT OF THE BUREAU'S AND TAXPAYER'S RIGHTS AND RESPONSIBILITIES

It is the obligation of all taxpayers in the City of Bethlehem, Hanover Township (Northampton County) and the Borough of Freemansburg to file all tax returns and pay all taxes to which they are subject. However, when the Bureau determines that a required return has not been filed, or a liability has not been paid, it has certain rights granted by law that describe how it may enforce a taxpayer's obligations. In conjunction with the Bureau's rights, the Commonwealth of Pennsylvania now has a Local Taxpayer's Bill of Rights which provides legal rights on behalf of the taxpayer, and creates obligations for the Bureau, so that equity and fairness control how these requirements are enforced.

At any time a taxpayer may request an “Administrator's Ruling” on any issue regarding any of the eligible taxes by submitting all pertinent facts in writing to the Tax Administrator.

TAXPAYER'S RIGHTS DURING AN AUDIT

- Taxpayer has the right to be represented. Notice of representation must be in writing, signed by taxpayer, and must contain a statement allowing named representative to view and discuss confidential information.
- Taxpayer has the right to expect that all information requested by and submitted to the Bureau will remain confidential and will only be used for official purposes or as provided by law.
- Taxpayer has the right to expect a “reasonable time” (30 days from date of notice) to respond to requests for information from the Bureau.
- Taxpayers have the right to request extensions of time to respond with information, if there is “good cause” for such extension.
- Taxpayers have the right to appeal or seek review of any adverse decision of the Bureau.

BUREAU'S OBLIGATIONS DURING AN AUDIT

- The Bureau shall provide the taxpayer with a copy of this disclosure statement.
- The Bureau shall respect the confidential nature of information gained through the audit process.
- The Bureau shall prepare a written explanation of the assessment of any tax liability determined during the audit (including the tax period, breakdown of amount due, legal basis and itemized revisions of tax return).
- The Bureau shall process the audit timely upon the receipt of all the applicable information.
- The Bureau shall conduct a post audit conference at which a Bureau employee or representative will explain the audit findings and make recommendations on how to correct areas of noncompliance.

- The Bureau shall explain the taxpayer's right to appeal the assessment of any tax liability determined during the audit.
- The Bureau shall take no lawful action against a taxpayer for the tax year in question until the expiration of the applicable response period ~~and~~ extensions.

The Bureau may require the taxpayer to provide exact copies or certified copies of the individual's federal tax returns if the Bureau can demonstrate that the federal tax return is reasonably necessary and the information is not available elsewhere, or from the Pennsylvania Department of Revenue. The taxpayer is solely responsible for obtaining the information and for any costs associated with obtaining the records or information.

TAXPAYER'S APPEAL RIGHTS

To appeal any adverse decision of the Bureau, a taxpayer must file a petition with the Bureau's Hearing Officer within 90 days of the date of the audit assessment notice. The Hearing Officer will review the case as it is provided by the taxpayer along with the information the Bureau relied on to make its initial decision. Decisions on petitions shall be issued within 60 days of the date a complete petition is received. Failure to act within 60 days shall result in the petition being deemed approved.

Appeals of decisions by any person who has a direct interest in the decision may be filed with the court vested with jurisdiction of local tax appeals pursuant to 42 PA. C.S. (relating to judiciary and judicial procedure).

APPEAL TO THE HEARING OFFICER

A petition for appeal of an adverse decision of the Tax Bureau regarding the reassessment of any eligible tax must be filed with the Hearing Officer within 90 days of the date of the assessment notice. The petition will be considered timely filed if the letter transmitting the petition is postmarked by the United States Postal Service on or before the final day on which the petition is required to be filed.

Appeal petitions should be mailed to:

TAX APPEAL HEARING OFFICER
City of Bethlehem Tax Bureau
10 East Church Street
Bethlehem, PA 18018

TAXPAYER'S PROCEDURES FOR REFUNDS OF OVERPAID TAX

If a taxpayer determines that it has paid a tax to which it is not subject, a petition for refund of overpaid taxes must be filed with the Hearing Officer. The Hearing Officer will handle petitions for refund in the same manner he/she handles appeal petitions, as previously described.

However, refund petitions shall be filed within three years after the due date for filing the report as extended or one year after actual payment of an eligible tax, whichever is later. If no report is required, the petition shall be filed within three years after the due date for payment of an eligible tax or within one year after actual payment, whichever is later.

TAXPAYERS' COMPLAINTS

If a taxpayer has a complaint about an action the Tax Bureau has taken in regard to Earned Income and Net Profits Taxes, Occupational Privilege Taxes, or Business Privilege and Mercantile Taxes a written description of the action should be filed with the Hearing Officer at the aforementioned address. The Hearing Officer will then facilitate the resolution of the complaint by working with the appropriate Tax Bureau personnel, or by issuing an assistance order if it is requested by the taxpayer and so warranted.

TAX BUREAU'S ENFORCEMENT METHODS

If a taxpayer has not paid a tax liability determined to be due and the taxpayer has not filed a timely appeal of the liability, the Tax Bureau may take the following actions:

- The Tax Bureau may contact a delinquent taxpayer and attempt to resolve the liability through payment in full or by payment plan. The Bureau may utilize outside legal counsel to assist in the collection of delinquent taxes.
- If a taxpayer owes delinquent taxes or has not filed a properly completed tax return form, this Bureau may deny the issuance of any applicable license for any tax this Bureau collects on behalf of a taxing authority.
- The Tax Bureau may file a civil law suit against the person responsible for filing the tax return form and/or for payment of the tax or delinquent tax, employer withholding, etc., and obtain a judgment which would be the basis of a levy to seize the property of the taxpayer.
- The Tax Bureau may file a criminal complaint or action against a taxpayer, or employer, or business owner, etc., when a properly prepared tax return form has not been received by this Bureau.
- The Tax Bureau may also investigate, assess and advance through the Courts of Common Pleas actions against delinquent taxpayers violating criminal statutes and governing legislation.
- The Tax Bureau may also prepare and issue wage a attachment to employers of a taxpayer when that taxpayer does not remit to this Bureau timely payment of tax due this Bureau.

Copies of the Ordinance, Resolutions, and Rules and Regulations are available to any taxpayer free of charge. Please contact the Tax Bureau at (610) 865-7022, Monday through Friday, 8:00am to 4:30pm for your copy.
